## **Purpose of the policy**

This policy confirms that candidate behaviour in the examination room at James Marks Academy is managed in line with JCQ regulations.

## **Briefing candidates**

To ensure candidates are aware of the standard of behaviour that is required in the examination room, James Marks Academy will:

- ensure the JCQ Information for candidates documents (coursework, non-examination assessments, on-screen tests, social media and written examinations) and awarding body privacy notices are distributed to all candidates whether electronically or in hard copy format prior to assessments and/or examinations taking place. (GR 5.8)
- ensure candidates are also made aware of the content of the JCQ Unauthorised items and Warning to candidates posters (GR 5.8)
- prior to assessments and/or examinations taking place, ensure candidates are briefed to reinforce what they must and must not do when sitting written examinations and/or on-screen tests, and when producing coursework and/or non-examination assessments (GR 5.8)

The centre will ensure candidates are made aware of JCQ information by candidates being briefed verbally by the head of centre or senior member of staff during the Candidate Briefing Session. JCQ information and documents are also on the school website.

## **Candidate malpractice**

- 'Malpractice', means any act, default or practice which is a breach of the Regulations (SMPP 1.2)
- Suspected malpractice means all alleged or suspected incidents of malpractice (SMPP 2)
- 'Candidate malpractice' normally involves malpractice by a candidate in connection with any examination or assessment, including the preparation and authentication of any controlled assessments, coursework or non-examination assessments, the presentation of any practical work, the compilation of portfolios of assessment evidence and the completion of any examination (SMPP 2)
- Inappropriate behaviour by a candidate in the examination room or assessment session is deemed 'candidate malpractice'
- Failure by a centre to notify, investigate and report to an awarding body all allegations of malpractice or suspected malpractice constitutes malpractice in itself (SMPP 1.7)

Examples of inappropriate behaviour/actions that constitute 'candidate malpractice' are provided in Appendix 1.
